STATEMENT OF COOPERATION

It is my intention to have my child complete the school year at Northside unless otherwise indicated.

It is my intention to pay fees when due and to pay tuition according to the terms of my *FACTS Agreement*. Report cards and transcripts are not released if the account is past due. I understand that if my account becomes 30 days in arrears, my children will be placed on financial probation; at 45 days, financial suspension.

My child has permission to participate in all school activities such as field trips, fine arts competition, and athletics.

I have read pertinent sections of the *Parent and Student Handbook* and am in agreement with its contents, especially the "Goals in Christian Education". I pledge to encourage my child in his homework and other special projects as well in the application of Bible principles to his life and learning.

If I have a question regarding a classroom issue, I will speak first to the teacher, then to the administration rather than to other parents. If I have a question regarding a matter of policy, I will approach the administrator. If I cannot continue to support Northside, I will withdraw my child without seeking to undermine or discredit the ministry or its personnel.

For students in grades K3-4, I grant the school permission to use appropriate procedures in order to maintain an orderly atmosphere conducive to learning. If necessary, parents may be asked to come to school and pick up an uncooperative and/or disobedient child for the remainder of the day. In keeping with Northside Baptist Church policy, the school does NOT use corporal punishment. Grades 5-12 utilize a demerit system and student evaluations to keep parents informed of student conduct issues.

I will inform the office of any changes in the following: address, personal phone numbers (home, cell phone, pager, beeper, or employer), persons (with phone numbers) authorized to pick up my children, other emergency numbers, medical information, and the custodial status of my children. If appropriate, I will provide a signed, updated *Statement of Cooperation*.
