

NORTHSIDE CHRISTIAN SCHOOL
FINANCIAL INFORMATION FOR 2018-2019

Thank you for your continued interest or inquiry into Northside Christian School. The Application fee, due upon enrollment, reserves your child's space for the fall. The Registration fee and workbook/activity fees provide startup costs and materials for the first day of school. The Tuition pays for faculty and staff salaries and benefits and the operation of the facilities and programs.

*****Application and Registration fees are not refundable*****

DISCOUNTS There is no discount on Application or Registration fees. However, Northside pro-rates Registration fees by the quarter in order to help families who enroll after the start of the school year. **Sibling discounts:** The second student in the family receives an 11% discount off the tuition displayed above; the third, 25%. Families wishing to enroll four or more students should contact the school office.

PAYMENT SCHEDULE In May/June you will receive a notice asking you to set up your Tuition payments. Parents may pay tuition by the year or by the semester in the office or they may set up monthly drafts on the 5th and/or the 20th. Payments are made electronically using FACTS Tuition Management. A recommendation on the selection of the number of payments will be included with that notice.

We post Child Care fees and other charges weekly. Once posted, they must be paid within ten (10) days or will incur a late fee. Tuition charges are posted on the first of the month and are due as arranged (5th or 20th) with FACTS and must be paid by the end of the month. Children may be placed on **Financial Probation** if that payment is not made by then, and the family may be placed on **Financial Suspension** after 45 days. Returned checks incur a \$25.00 service fee. We will assess a **late fee** for balances over 30 days.

BOOK AND ACTIVITY FEES Along with the information about setting up your payment plan, you will receive information on the costs of books and activities for your child/children. In addition to books, these fees include the costs for music and fine arts competitions, the per-student premium for Student Accident Insurance, a yearbook photo, graduation fees (K5, 6th, and 12th), and the SCACS dues for legal and educational representation in Columbia and Washington. The fee also includes the cost of a yearbook for students in 7th through 12th grades (younger students may order a yearbook and have it added to their fee). Private lesson charges are paid directly to the teacher. Child Care rates are provided on a separate information sheet.

Northside Christian School offers a rich college preparatory and honors program, outstanding training in the fine arts (drama, debate, music theory, choir, band, strings), an elementary intramural sports program, and boys' and girls' junior varsity and varsity athletic competition. We seek to maintain the highest quality Christian education possible, trusting discerning parents to appreciate the value that is included in our overall program.
