August 2018

Dear Parents,

The Northside Christian School music hall is already full of activity. We look forward to a great year of growth. In order to make our music learning even more effective, we will be studying some music theory concepts in all our choirs and will be giving grades for choir this year.

Please note the dates of our Fine Arts events for 2018-2019. Thanks so much for your support of these events!

Elementary students should mark their calendars for their events. All students are expected to participate in our programs and SCACS competition. Please make sure that you have your concert attire ready for these events as stated in the handbook. **Be aware of the change in concert attire this year!** All girls in grades 1st-5th need a white blouse and black skirt that covers the knee along with black dress shoes or sandals. All boys in 1st-5th grade need a white dress shirt, tie, and nice pair of black pants with coordinating black dress socks and dress shoes.

Middle School and Senior High choir, band, and handbell students need to be at all concerts and performances. **In order to be a help financially for the growing boys in the middle school, boys in grades 6-8 will not need to have suit coats.** They should have a wrinkle free white dress shirt, school tie, black dress pants, black dress socks and black dress shoes. 9th-12th grade boys will need a solid black suit with a white dress shirt, school tie, black dress socks and shoes. All girls in 6-12 will be wearing the concert dress with black dress shoes. We will be ordering these dresses as a group and the charge will be added to your school bill.

Students that sign up to participate in competitions should carry through with their commitments. If students drop individual events this year, they will be charged for that particular competition. Please start planning now for competition events. We look forward to seeing our students do well and learn and grow from their competition.

Please sign the form below stating that you have read this letter and have received the Fine Arts Calendar for the 2018-2019 school year.

Thank you,

Dr. Dave and Jodi Shaleen

Mrs. Pam Sheeley
