9 th – 12th	\$8,585	\$715.42	\$780.45	\$858.50

APPLICATION AND ENROLLMENT

New students pay the Northside fee of \$75.00 for submitting the Application for Admission. If admission is approved, FACTS Tuition Management charges \$50.00 to process the initial Online Enrollment packet.

Currently enrolled families receive notification in the spring when Online Enrollment for the coming school year is opened. Those who re-enroll students by the published deadline pay an Early Enrollment fee of \$10.00 per student and spaces are guaranteed. Those who re-enroll after the deadline has passed pay \$75.00 per student.

All families pay the FACTS Management Fee of \$20 if paying by semester/year, or \$50.00 if paying monthly.

Application and Enrollment fees are not refundable.

ANNUAL PAYMENT The Annual Payment includes tuition and all fees. Families pay additional charges for such expenses as private music lessons and overnight trips for athletic and fine arts competitions. NCS pays fine arts competition fees for large groups, but students pay for individual events. The Annual Fee is pro-rated for late enrollment or early withdrawal.

DISCOUNTS The siblings of the oldest student receive a discount on the tuition component of the Annual Payment. A \$500.00 discount is available to those who pay for the year in one payment. A \$250.00 discount is available for those who pay by semester.

PAYMENT METHOD When new families set up their FACTS account, they use Autopay as their Payment Method. They can use a debit/credit card or a savings/checking account. The former charge a fee for each payment while the latter are ACH transfers with no processing cost. Returning families' current financial method is displayed for their approval or for changes.

PAYMENT SCHEDULE Parents may choose to pay by the year, semester, or month. Monthly payments may be 10, 11, or 12 months. Families make these on the 5th or the 20th, or they may split them between the two dates.

*Students will be placed on **Financial Probation** if the Annual Payment becomes 30 days past due.*

*FACTS assesses a late fee. Accounts 45 days past due result in **Financial Suspension**.*

INCIDENTAL FEES NCS posts Child Care fees weekly and other charges as they occur. Once posted, they must be paid within ten (10) days or a late fee will be assessed. Most families use Autopay for incidental charges.

PRE-PAY ACCOUNTS The lunch menu for each day is posted online. Parents pre-fund the account and the lunch cost is deducted when the student orders. Students may not order lunch if the account balance is insufficient.
